VOL - 6, ISSUE - 7 | JANUARY - 2020 | MONTHLY E-NEWS LETTER

VISION :

To become a globally recognized institution in technical and professional education, and to provide career and research oriented, value based education to serve the society.

Mission :

To **develop** a holistic educational approach that blends fundamentals and hands-on experience.

To **build** a diverse academic environment that fosters problem solving ability, team spirit, leadership, and commitment towards quality.

To **promote** exchange of ideas, innovation, research and entrepreneurial skills so as to face global challenges.

To **inculcate** ethical values and sense of responsibility towards society.

Award Ceremony of successful completion of prestigious IBM courses

An Award Ceremony was organised at JIET Conference Hall on January 07, 2020 in which 45 participants were felicitated with the IBM certificates for the successful completion of prestigious IBM courses (IOT, Business Analytics and Cloud Computing). The certificates were awarded to students by Prof. (Dr.) K.K. Paliwal and Prof. (Dr.) Rajendra Karwa and Er. Sanjay Bhandari.

Session on How to Hack Smart India Hackathon

Under the banner of Google Developer Student Club of JGI, a session was taken by Arjun Vaishnav (Lead, DSC- JGI) and Kritik Singh Shekhawat (Management, DSC- JGI) under the guidance of Er. Sanjay Bhandari on How to Hack Smart India Hackathon (SIH) on January 07, 2020 at JIET Conference Hall. The session covered some of the following aspects :-

- 1.) How to select problem statements?
- 2.) How to select a best performing team?
- 3.) How to prepare your project before the Hackathon?
- 4.) How to perform well at the time of Hackathon?

More than 100 students of various engineering departments have attended the session. The session was informative as well as interactive.

An interaction session with the **INDIAN ARMY**

An interaction session was organized for III and IV Year students of all the engineering branches of JIET and JIETCOE with the Indian Army on January 13, 2020 at JIET Conference Hall. The students were enlightened about the various career opportunities in the Indian Army through the Power Point Presentation. In this session, students got an opportunity to directly interact with officers from the Indian Army. Captain Manjeet and Lieutenant Raju Kumar Singh briefed the students about a wide range of courses offered by the Indian Army. They also provided the details of the admission procedures. A total 150 students attended the session.

An expert session on

Google

Crowdsourcing

Under the banner of Google Crowd Source Club of JGI, an expert session on "Google Crowd Sourcing" was conducted by Naresh Prajapati of Information Cell and Aditya Chhajer (student of CSE III Year) for the I Year students of JIET on January 16, 2020. This session was conducted with the intention to educate students on how to contribute to the global image capture campaign, share your world that helps improve Machine Learning models to build better Google products. A total 50 students attended the session.

SMART INDIA HACKATHON '20

A 2 days Internal Smart India Hackathon- 2020 reached its successful end on January 17, 2020 at JIET Conference Hall.

The high- powered Hackfest witnessed some brain storming sessions, innovative ideas and a superlative display of technical brilliance. The judges for the event were Mr. Sushil Sharma (Founder of Marwari Catalysts, Yearbook Canvas and The Book Café), Ashutosh Dixit (Software Engineer at CG Technosoft Pvt. Ltd.) and Prof. (Dr.) K.R. Chowdhary (Sr. Professor, JIETDAT). A total 130 students from JIET and JIETDAT participated in this Internal Hackathon. The whole event was organized by Developer Student Club of JGI under the guidance of Er. Sanjay Bhandari and Er. Rahul Bhandari.

Live awareness session on insights and important information on SIH-2020

An initiative of MHRD's Innovation Cell- IIC and under the banner of the Institution Innovation Council (IIC) of JGI, a special FB Live awareness session on insights and important information on SIH-2020 was conducted on January 24, 2020 at 11:00 AM at MBA Conference Hall with Dr. Mohit Gambhir, Innovation Director, MHRD Innovation Cell. It comprised a live session on various social media and government platforms. Total 85 students of JIET and JIETDAT participated in the Programme. The whole program was organized under the guidance of Er. Sanjay Bhandari and Er. Rahul Bhandari.

A Workshop on Machine Learning

Under the banner of Google Developer Student Club of JGI, A Workshop was taken by Arjun Vaishnav (Lead, DSC) and Kunal Gehlot (Member, DSC) on "Machine Learning" on January 25, 2020 at IBM Lab. This workshop was intended for those who wish to learn Machine Learning from a practical, applied perspective that enable them to use Machine Learning in their Projects and who wish to get started with the basics of TensorFlow. This workshop was not only focused on training in Machine Learning but also on building an ecosystem for Machine Learning enthusiasts. Total 50 students from JIETDAT attended this workshop.

The 71th Republic Day festivities were seen in full swing on 26 January 2020 as JIET Universe was pulsating with patriotism in full glory. Er. Navneet Agarwal, Director General- JGI unfurled the tricolour in the Flag Hoisting Ceremony followed by Republic Day Parade. The B.Tech. III Year student, Kundan Dev Singh of Mechanical Engineering Branch led the parade with NCC 3 Raj Girls Battalion and other students' squad representing different branches of Engineering, Management, JIET College of Nursing, Jodhpur Institute of Hotel Management and the hostellers of JIET.

Er. Navneet Agarwal addressed the audience on this occasion. The cultural events took the celebration to its acme with human pyramid formation, solo song, skit, group dance performances by the students of various colleges under JGI umbrella.

The highlight of the National Day celebration was an enthralling dance performance by small children associated with the noble initiative of JIET group, Abohd Angaan. Er. Navneet Agarwal, Dr. Rajendra Karwa and Dr. K.R. Chowdhary presented the award to the best parade of the department. The first prize went to Nursing. The second prize went to Hosteller & JIHM and third prize went to ME & CSE. In a nutshell, JIET Group of Institutions infused the ambience with nationalistic colours thereby making this auspicious occasion memorable.

Doota Volleyball Tournament

JIET Sports Club hosted the first season of Doota Volleyball tournament on January 25, 2020 at JIET Volleyball Court. Total 09 teams participated in this tournament. The final was played between team JYC and team SHOOTERS. Team JYC won the final and lifted the winning trophy. The whole tournament was organized under the supervision of Dr. Manish Bafna, Mr. Kamlesh Parihar and Mr. Abhishek Arya and organized by student coordinator of JIET Sports Club Shivang Purohit and Team.

Winner: TEAM JYC

1. Vijay Bissa, Captain
2. Manan Purohit
3. Divyesh Joshi
4. Anirudh Vyas
5. Mukund Vyas
6. Keshav Vyas
7. Abhishek Mehra

Runner Up : TEAM SHOOTERS

1. Rudra Pratap Singh, Captain
2. Surya Pratap Singh
3. Sawai Singh
4. Naresh Panwar
5. Shankar Singh
6. Shubham Vaishnav
7. Raju Choudhary

An interaction session with Indian Air force

They spread their Wings above the Sky like an Eagle to keep their eyes on the Enemies.

An interaction was organized of III students of ME, CIVIL and EE students of JIET with the Indian Air force on January 28, 2020 at JIET Conference Hall. The students were enlightened about the various career opportunities in the Indian Air Force through a

Power Point Presentation. In this session, students got an opportunity to directly interact with officers from the Indian Air force. Group Captain A.K. Rai, Squadron Leader Abhishek Sharma briefed the students about a wide range of courses offered by the Indian Air Force. They also provided the details of the admission procedures. A total 180 students attended the session.

An interactive session with Ambassador Dr. Deepak Vohra

An interactive session with Ambassador Dr. Deepak Vohra was organized for the students of JIET on January 31, 2020 at MBA Conference Hall. Dr. Vohra is the Special Advisor to the Prime Minister of India, Lesotho and Guinea-Bissau and to Ladakh Autonomous Hill Development Councils, Kargil and Leh. Also He is visiting Professor of Indian Institute of Finance. Dr. Vohra spoke on 'Our World in Twenty: The Inexorable Movement'. He shared his observations on where our world is headed, covering the following questions:-

- a) As Asia resumes its pre-eminence in the global economy, how will the outgoing Masters of the Universe respond?
- b) As India's cultural power rises and rises (eg. Yoga) how will our own adversaries react?
- c) What will be the sunshine sectors of the next 20 years?
- d) As the world military equation changes, who will defend an effete and incompetent Europe?

The session was highly beneficial, motivational and inspiring for all Entrepreneurs seeking growth, Startup Entrepreneurs, prospective Entrepreneurs, Incubates and the Students.

Department of Applied Sciences (I Year, JIET)

Faculty Achievements

- An article authored by Dr.A.M.Khan (Head and Professor, Department of Applied Sciences) on "Extended Bessel Maitland function & its properties pertaining to integral transform and fractional calculus" was published in AIMS Mathematics (SCI) Journal.
- Dr. Akleshwar Mathur (Asso. Prof, dept of Chemistry, JIET) attended a 8 days refresher workshop on Human Values and Professional ethics at Swami Keshwanand agricultural University, Bikaner during 3 January to 10 January 2020.

Student Achievements

1. Aditi Jain of CSE (I year, Group-A1) selected as student of the month-January.

Department of Civil Engineering (CE), JIET

National Workshop on “Bridge Design, Fabrication & Testing”

A two days National Workshop was organised by Civil Engineering Department from 30-31 January, 2020 on “Bridge Design, Fabrication & Testing”. The inaugural ceremony was graced by the presence of Prof. (Dr.) K.K. Paliwal (Campus Director, South), Prof. (Dr.) Arvind Dewangan (HOD, Civil) and all faculties of civil engineering department. There have been sessions such as bridge design, fabrication, practical sessions and later a bridge design challenge competition was held in which of all the participants, 3 most efficient bridge models were selected for appreciation. It witnessed some brainstorming sessions, innovative ideas and presentation of technical brilliance. The session was conducted by Expert/Trainer Er. Reddy Shekhar from Skyfi Labs, Bengaluru. Prof. Aashish Jha and Prof. Kiran Bhoot were the coordinators of the workshop. More than 65 students from various colleges participated in the same.

Tree Plantation under Unnat Bharat Abhiyan

Tree Plantation Programme was organised at schools of Bhandoo Kalan, Mogra Khurd and Sangariya villages under Unnat Bharat Abhiyan to celebrate the occasion of 71st Republic Day. Assoc. Prof. Kiran Bhoot (Principal Investigator of UBA), Asst. Prof. Rahul Bhati, Mr. Rakesh Purohit and Mr. Ritesh Parihar from the Civil Engineering Department were the coordinators of the Programme. Student coordinators were Abhay Lodha, Deepak Das (3rd Year, CE) and Ramesh Kr. Meena (1st Year). The faculties and student coordinators participated in Gramsabha organised in Secondary Schools of respective villages. Assoc. Prof. Kiran Bhoot was chief guest and honoured by hoisting the National Flag at Secondary School, Bhandoo Kalan.

Village and Household surveys under Unnat Bharat Abhiyan

Village and household surveys of Sangariya village were conducted on January 25, 2020 under Unnat Bharat Abhiyan. Faculty coordinators Asst. Prof. Rajat Mangal and Asst. Prof. Sumit Gahlot from the Civil Engineering Department along with 26 students of JIET, South Campus visited Sangariya village and conducted survey under the guidance of Assoc. Prof. Kiran Bhoot (Principal Investigator of UBA). Through these surveys the problems faced by the villagers will be identified and can be resolved by developing new technologies by young minds.

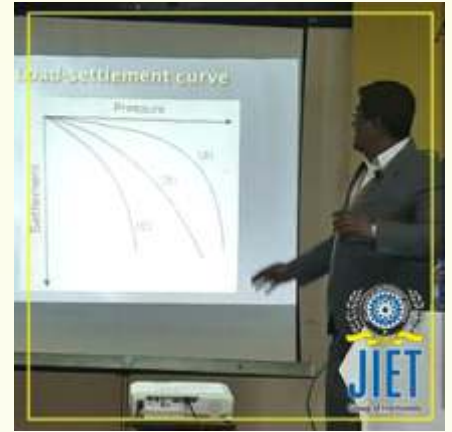

Industrial Tour for Final Year Students

Final Year Students of the Civil Engineering Department were taken on an Industrial tour from 8-13 January 2020 to Haridwar-Rishikesh-Dehradun. At Rishikesh they visited the Ram Jhula suspension Bridge and Warren Truss Bridge. Prof. Kamlesh Parihar explained the conceptual design and functions of various members of the bridge. The tour gave them an exposure and insight to how field engineering is different from theory. Students were accompanied by Prof. Rahul Bhati, Prof Manish Kr. Ranga.

Faculty Accomplishments

- (a) Prof. Abhishek Arya, Assoc. Professor, Civil Engineering Department delivered an expert lecture on 21 January 2020 on “Bearing Capacity of Soil” at Institute of Engineers, Jodhpur in Regular Technical Lecture series organized by Ultra Tech Cement and IEI Jodhpur. Lecture was attended by top industrialists and technocrats including Er. S.K. Mishra, General Manager, National Highway Authority of India (NHAI), Er. Basant Joshi, Regional Head, Ultra Tech Cement and many such officials of field from both government and private sectors. Many students of Post Graduate and Graduate Degree of MBM Engineering College and JIET also attended the session.
- (b) Prof. Kamlesh Parihar, Prof. Ankit Laddha, Prof. Manish Ranga, Prof. Abhishek Chandra, Prof. Rahul Bhati and Prof. Sourabh Soni attended the expert lecture by Prof. Abhishek Arya on 21 January 2020 on “Bearing Capacity of Soil” at Institute of Engineers, Jodhpur in Regular Technical Lecture series organized by Ultra Tech Cement and IEI Jodhpur.

Students' Accomplishments

- (a) The Rank Ceremony of NCC Cadets of 3 Raj Girls Battalion took place on January 15, 2020 in the JGI Campus to celebrate the occasion of Army Day. This event took place in the auspicious presence of Commanding Officer Colonel Abhishek Chaturvedi, Adm. Officer Major Indu Sharma, ANO Lieutenant Garima Chouhan and Subedar Major Girdharilal. Ranks were presented to two students of 3rd year Civil Engineering Department. Cdt. Sanjivani Surana was dignified with the rank of Under Officer and Cdt. Apsara Panwar with the rank of Corporal.
- (b) Students of 3rd Year, Civil Engineering Department – Darshan Dutt Joshi, Abhimanyu Singh Rathore and Bharat Ram Khanna participated in IIT Bombay Techfest on Zero Energy Building conducted during 3-5 January, 2020.

Department of Computer Science & Engineering and Information Technology (CSE & IT), JIET

Workshop/ Seminars

- A session on “Awareness of New Technologies” was organised on 24th January’20 for II year students. Mr. Kushagra Bhatia (Owner of WsCube Tech, Jodhpur) was resource person. 126 students attended the session.
- Under the banner of Google Developer Student Club of JGI*, a session was taken by Arjun Vaishnav (Lead, DSC- JGI) and Kritik Singh Shekhawat (Management, DSC- JGI) under the guidance of Er. Sanjay Bhandari on *How to Hack Smart India Hackathon (SIH)* on January 07, 2020 at JIET Conference Hall. The session covered some of the following aspects :-
 - 1.) How to select problem statements?
 - 2.) How to select a best performing team?
 - 3.) How to prepare your project before the Hackathon?
 - 4.) How to perform well at the time of Hackathon?

More than 100 students of various engineering departments have attended the session. The session was informative as well as interactive.

Faculty Achievement

Mr. Hemant Pareek (Assistant Professor, CSE) attended an AICTE approved Eight days National Workshop on “Universal Human Values and Professional Ethics” organised by Bikaner Technical University on 3 - 10 January 2020.

Student Achievement

- Ms. Ishita Mathur (IV semester, CSE) was invited to serve on the chair of Deputy Speaker of Lok Sabha in Jaipur Youth Conclave event held at Taigor Public School, Jaipur on 11th & 12th January’20.
- Mr. Aditya Chhajer (VI semester, CSE), Under the banner of Google Crowd Source Club of JGI took expert session for the I year students with the intention to educate students on how to contribute to the global image capture campaign, share your world that helps improve Machine Learning models to build better Google products. A total 50 students attended the session.
- Mr. Harshvardhan Singh (VI semester, CSE) got 2nd prize in a quiz on “Maharana Pratap’s Legacy” which was organised by Mechanical Dept., JIET under the banner of technical cell on 21st January’20.

Department of Electronics & Communication Engineering (ECE), JIET

Guest Lectures (Experts from outside JGI)

- i. An expert session on topic “Biological Background of Neural Networks” was organized by Electronics and Communication Engineering Department for the students of VI semester on 13th January 2020 by Mr. Prashant Thanvi. Total of 41 students were present in the lecture.

Departmental Activities

- i. 29 students of 2nd year ECE visited to Air Force on January 23, 2020.
- ii. 28 students of ECE department participated in “Pared” of Republic Day Celebration.

Faculty Accomplishments

- i. 2 days Internal Smart India Hackathon- 2020 reached its successful end on January 17, 2020 at JIET Conference Hall. The judges for the event were Mr. Sushil Sharma (Founder of Marwari Catalysts, Yearbook Canvas and The Book Café), Ashutosh Dixit (Software Engineer at CG Technosoft Pvt. Ltd.) and Prof. (Dr.) K.R. Chowdhary (Sr. Professor, JIETDAT). A total of 130 students from JIET and JIETDAT participated in this Internal Hackathon. The whole event was organized by Developer Student Club of JGI under the guidance of Mr. Sanjay Bhandari. Total of 78 students participated in event.
- ii. Mr. Avnish bora of ECE department has participated in the “15th winter school on speech and Audio processing (WiSSAP 2020)” held at Indian Institute of technology Mandi from 8th to 10th January 2020.

Students' Accomplishments

- i. 6 students have participated in a 2 days Internal Smart India Hackathon- 2020 reached its successful end on January 17, 2020 at JIET Conference Hall.
- ii. Kuldeep Asseri and Girish Sharma of 2nd year, Akash vyas and Priyesh of 3rd year, Locus, Priya, Amisha and Priyal of final year have donated blood in Blood Donation Camp on January 30, 2020
- iii. Abhimanya Singh, Amisha Gorawat, Deepika Joshi, Dushyant Pareek, Hitesh Kamal , Mohit Gehlot, Praveen Singh Sodha and Rohit Solanki of final year placed in “ICICI Prudential” on 20 Jan 2020.
- iv. Anshita Mathur, Dushyant Pareek, Jayesh Bora, Pragya Singh, Rohit Solanki and Suman fo final year placed in “IMS People” on 22 Jan 2020.
- v. Parmendra Gehlot and Rahul Singh Rathore of final year placed in “Johari Digital” on 28 jan 2020 (off. Campus).
- vi. Student of the month for January is Saurabh Yadav of 3rd year.
- vii. On the occasion of Swami Vivekanand’s Birthday “National Youth Day” on January 12th, 2020 Parth Asopa of ECE III year got 3rd position in Essay writing competition on topic “Swami vivekanand: The Youth Puissant Pioneer”
- viii. 8 students of ECE participated in Doota volleyball tournament on 25 January 2020 by JIET sports club.

Department of Electrical Engineering (EE) JIET

Expert Lectures (Experts from Within JGI)

Prof.Vinit Mehta (Asso.Prof, Department of EE, and JIET) delivered an expert lecture to the students of III Year (E Section) for the subject Electric Drives on 18/1/2019 at LT-16.

Departmental Activities

Total 36 students of final year, Department of EE, along with Prof. Chandershekhar, Prof.Shrawan Ram Patel and Prof. Pranjal visited following industries:

04-01-2020, Saturday : Tehri Dam & Hydro Power Plant, New tehri

06-01-2020, Monday : Vijai Electrical Limited, Haridwar

06-01-2020, Monday : Elza international, Haridwar

Faculty Accomplishments

- The Bikaner Technical University honoured Jodhpur Institute of Engineering and Technology for securing I Rank in state through QIV Ranking session 2019-20. Furthermore, Dr Kusum Lata Agarwal, Head, Department of Electrical Engineering was honoured for coordinating AICTE-BTU Sponsored Faculty Training Program on 26 January 2020 at BTU ,Bikaner.
- Mr. Ankit Tandon, Assistant Professor, Dept of Electrical Engineering , JIET has been conferred with NPTEL Believers award for July-Dec 2019 . Total 368 candidates qualified all over India. He is the only candidate from our institute.

Students' Accomplishments

- A Rank Ceremony was organized in JIETDAT in the presence of Colonel Abhishek Chaturwedi - Commanding Officer , ADM Officer Major Indu Mishra & Subedar Major Girdharilal on 15 January 2020. In this Rank Ceremony from the department, 2 Cadets were Ranked. 1. Sargeant- Sumedha Gehlot CSE III Year, and 2. Lance Corporal - Priyanka Vaishnav EE III Year.

Following students of the department participated in the Parade on Republic Day celebration on 26 January 2020 at JIET :

STUDENT ACCOMPLISHMENTS

- Aditya sankhla student of vi semester eee received certificate of appreciation for “nptel enthusiast [December 2019]”
- Yogeshmandal, Shreyansh Asopa, Priyanka Bhati, Tanvi Choudhary, Diviyam Bohra, Aditya Sankhla, Naveen Mandora, Baria Nikhil, Maheta Rutvik, Harish Parihar, Bhupendra Latiyal, Kapil Poonia Of 3rd Year Eee Participated In The Quiz Competition Organised By Department Of Mechanical Engg On 21st January 2020.
- Shreyansh Asopa, Aditya Sankhla, Diviyam Bohra, Maheta Rutvik, Baria Nikhil, Naveen Mandora of 6th sem Eee Has Participated In The Free Health Check Up Camp Organised By “Unnat Bharat Abhiyan And National Service Scheme As A Volunteer On 21st December 2019.
- Aditya Sankhla, Shreyansh Asopa, Bhupendra Latiyal Get Training Completion Certificate From Ibm. Course Name : Ibm CE-IOT Application Development And Deployment Using Ibm Bluemix
- An Award Ceremony Was Organised At Jiet Conference Hall On January 07, 2020.

STUDENT OF THE MONTH [JANUARY 2020]

Jiyaram student of VIII Semester EEE was awarded as the student of the month for January 2020

Mechanics

Engineering
(ME), JIET

Expert lecture from Outside JGI

Dr. Sunny Zafar (Assistant Professor, IIT Mandi) delivered an expert lecture on 'Green Composites' to students of Mechanical Engineering (II, III and IV year) on January 6, 2020. The lecture was very informative for the students of Mechanical Engineering with respect to the materials' and composites' knowledge and for future perspective. The lecture was coordinated by Prof. (Dr.) Deepak Mehra (Professor and Head, ME, JIET).

Faculty and Student Participation

- Team from Mechanical Engineering selected for the event at Regional Convention, 3rd AICTE Chhatra Vishwakarma Award 2019 held at Jagan Institution New Delhi on January 10, 2020.

Project Name : Ambient

Prevention of food wastage

Category : Livelihood

Team mentor : Mr. Vikas Dave (Asth. Prof., ME)

Team Participants:

- 1) Mr. Yash Katariya
- 2) Mr. Pradhuman Mathur
- 3) Mr. Mridul Chhangani
- 4) Mr. Tanmany Vyas

Student Achievement

It is a matter of profound privilege that Mr. Ritam Mathur (IV Year, ME) has been recognized as 'NPTEL DISCIPLINE STAR' as well as 'NPTEL ENTHUSIAST' in December 2019. We wish him all success for his future endeavors.

Faculty Achievement

- Prof. (Dr.) Deepak Mehra (Professor and Head, ME, JIET) reviewed an article of 'Journal of Magnesium and Alloys (An SCI Journal of Elsevier publication with an impact factor 4.52)' titled 'Magnesium Matrix Composites reinforced by Nano Particles: A review' which was acknowledged by Dr. Fusheng Pan (Editor in Chief, Journal of Magnesium and Alloys, Elsevier)

Industrial Tour (Final Year)

The first day of the Industrial tour of the final year, Mechanical Engineering started with the visit to the industries of Jodhpur, Rajasthan on January 2, 2020. 87 students along with 6 faculty members including Mr. Pawan Kumar Bissa (Dy. Head, Admin, ME), Mr. Mohd Jawed Iqbal (Asth. Prof., ME), Mr. Naveen Gupta (Asth. Prof., ME) along with Technical staff members, Mr. Aduram Patel, Mr. Shrawan Singh and Mr. Mukesh

Chandra Mathur visited U and T tractors where students gained knowledge about Manufacturing & testing of Hydraulic pump of tractor and further Inspection through CMM,. They also visited 'Jain Metal Components Pvt. Ltd.', where they got enriched with Manufacturing of Medical equipments through CNC/ VMC and Precision Instruments and lastly visited, 'Raj Pump Pvt. Ltd'. where they learnt about Production of single stage Reciprocating/Centrifugal pump and Manufacturing and working of RO plant.

Student also learnt a lot with practical exposure of various automated manufacturing systems.

On the second day of the Industrial tour of Mechanical Engineering dated January 3, 2020, students visited Osian. 87 students visited Suzlon Wind Energy Power Plant with Mr. Pawan Kumar Bissa (Dy. Head, Admin, ME), Mr. Mohd Javed Iqbal (Asth. Prof., ME), Mr. Naveen Gupta (Asth. Prof., ME) along with technical staff members Mr. Aduram Patel and Mr. Mukesh Chandra Mathur.

During the Industrial visit, students understood the various concepts of wind power plant i.e. it's Gear design, Aerofoil blade design, installation of various components and scada control etc.

Mr. Abhay singh (Site In-charge) explained about the principles & working of wind mill including the blade design, wind anemometer, sensors and Gear designing etc.

Mr. Adu Ram patel and Mr. Mukesh Chandra Mathur added Practical exposure to the work along with site technical team. Prof. (Dr.) Deepak Mehra (HOD, ME) guided the students to learn a lot by acquiring practical knowledge from the industries.

Third day of industrial tour of Final year Mechanical Engineering, South Campus went to Baap on January 5, 2020 with Prof. Pawan Bissa, Prof. Mohd Javed, and Technical staff members, Mr. Mohd Saif, Mr. Aadu Ram Patel & Mr. Mukesh Chandra Mathur.

They visited Sterling and Wilson Solar PV plant of 50 MW capacity. During the visit Mr. Rishi Vyas, site In-charge explained about complete working of the solar farm. Their the students

understood the installation of Flat plate collector, Control of solar module through Scada and their interfacing with inverter. The tour ended with thanks to all the Industry experts and site uncharged who spared their valuable time for providing practical exposure to the students about the industries.

Air force Station Visit

A visit to the Airforce Station was scheduled on January 23, 2020 for the 2nd year students of Mechanical Engineering Department. A total of 34 students were a part of this trip. Faculty members who were associated in this visit were Mr. Naveen Gupta and Mr. Lokendra kumar.

Poster Launch

A Poster launch ceremony was organized for the upcoming 3 days National Skill Enhancement Workshop on 'E Vehicles and Dynamics Design', organized by Department of Mechanical Engineering, JIET, JODHPUR. The Ceremony was scheduled on 22nd January 2020. The Coordinator of the workshop is Mr. Vikas Dave (Asth. Prof., ME). Prof. (Dr.) Deepak Mehra (Prof. and Head, ME), Mr. Abhishek Dixit (Dy. Head, ME), Mr. Sandeep Gupta (Asth. Prof. (Sr.)) and Mr. Vikas Dave (Asth., Prof., ME) along with student coordinators were present during the poster launch.

Student Activity

A quiz on "Maharana Pratap's Legacy" was organised by Mechanical Department, on 21st January 2020. This activity comes under the banner of Technical Cell, JIET and IE(I). Students from all departments participated passionately in this and after the written quiz, they shared their thoughts on Maharana and his truly inspiring life. The session was conducted by Prof. (Dr.) Deepak Mehra (H.O.D Mechanical) and Mr. Vikas Dave (Activity coordinator, M.E) The winners of the quiz are:

1st : Ghanshyam Singh Patwat (4th Year, M.E)
